A Visit to Southpaw:

Keeping your dominant hand behind your back or in your pocket, try performing these tasks with your other hand:

- copy a paragraph from a textbook
- draw Frosty the Snowman
- write your name
- put a pencil back in your pencil case
- open the lock on your locker
- shake hands with your neighbor
- find p.56 in your textbook
- catch a ball
- throw a ball
- use scissors
- use a can opener
- play a game of 'Pick Up the Sticks'

Does the world favor righthanders over lefthanders?
List 10 machines or situations that cater more favorably to righthanders
Ask the lefthanders in the class to speak from their experience.

Research to find 10 lefthanders whose work with their hands is the prime reason for their fame.
