### **OUR WORLD: Our World Family**

Let's Work Together Canned Heat (Let's Work Together: Best, 1989)

What is meant by 'together we stand, divided we fall'? Where do you think the expression came from? Does it apply to the population of this planet? Suggest some areas in which, right now, we are not 'working together.'

What obstacles are there to countries working together? Could these be overcome? What benefits might result?

From history or the news, find instances of different groups working together to achieve a common purpose.

List 10 things that separate people (age, for example). For each division, suggest some way in which this gap could be reduced or eliminated.

Would there be advantages in having a universal language? Disadvantages? A universal monetary system?

compare with...

Coat of Many Colors Dolly Parton (Anthology, 1991)

What different emotions does the singer experience in this song?

What causes these feelings?

In what ways is she strong? Where has that strength come from?

What could the coat represent? Why?

If you met someone from a different country or culture, what would you have to offer that person? What does he or she have to offer you?
